Trip Advice

- Stop and **look** before crossing the road.
Use a crossing where possible
- Always be prepared for changes in **weather** such as rain, sun or snow and take the appropriate clothes
- Always go with another person if possible or at least make sure somebody knows **where** you are going
- Carry a **map** or ensure you have enough battery/data to use Google maps on your phone
- Always **listen** carefully to any information given by the guide about safety and ask anything you didn't understand
 - Always make sure you have the Twin emergency **contact** number and the number of the guide if there is one
- Always ask the staff about the food in a restaurant if you have any **allergies**
- Remember that you have to be **18** or over to drink alcohol in the UK and always be sensible if you're going to drink
- Always keep **valuables** in inside pockets when walking or on public transport
 - Always know where **fire exits** are in museums, etc. and pay attention to safety signs or warnings
 - Always walk in pairs or alone on **pavements**, not in groups
- In an emergency situation (for example, a terrorist attack) – **run, hide, tell**

This advice should be followed by all students when attending any trip organized by Twin, another company or taken independently
